The Honorable Peter W. Rodino, Jr.
Chairman, Committee on the Judiciary
House of Representatives
Washington, D.C. 20515

Dear Mr. Rodino:

This letter is in response to your request that the Central Intelligence Agency (CIA) provide its views on H.R. 4509, which would amend the Immigration and Nationality Act with respect to the grounds for exclusion and deportation of aliens. While this proposed legislation would narrow the grounds for the exclusion or deportation of aliens because of national security concerns, it would not affect the ability of the U.S. Government to admit defectors into the United States under section 7 of the CIA Act of 1949. The CIA thus has no objection to the proposed changes in the Immigration and Nationality Act contained in this bill.

Sincerely,

/s/ William J. Casey
